

POE  
2022

### What is a Pipe Organ Encounter?

POE is a week-long summer camp that provides a chance for young pianists and organists to explore and gain exposure to pipe organs and pipe organ repertoire.

### Who is it for?

It is designed for teenagers, ages 13-18, who have achieved an intermediate level of keyboard proficiency. \*Special consideration with regards to age and training may be allowed by the POE Committee on an individual basis.

### What if I've never played a pipe organ?

No worries! Previous organ study is *not* required.

### What if I'm already an organ student?

Wonderful! More advanced students will have a chance to grow their skills, as well.
